Moscow, 27 March 2020

No. FS-KS-7/9734

Dear Mr Hudson,

The Federal Service for Veterinary and Phytosanitary Surveillance presents its compliments and would like to thank you for the clarifications in letter No. SANTE.DDG2.G/BVG of 24 March 2020 regarding accompanying documentation.

In the context of the spread of the new coronavirus infection, Rosselkhoznadzor-controlled goods may be imported to the territory of the Russian Federation with copies of veterinary certificates, subject to prior notification from the foreign state's competent authority and a letter of guarantee drawn by the recipient of the goods, stating the veterinary certificates will be submitted to the territorial body of Rosselkhoznadzor upon their receipt. The prior notices are to be sent to Rosselkhoznadzor's email [notification-eu@fsvps.ru](mailto:notification-eu@fsvps.ru) (see form attached).

Please accept, Mr Hudson, the assurances of my highest consideration.
